

UCFS Healthcare's School-Based Health Centers and Your School!

The UCFS school-based health centers (SBHC) are a doctor's office inside of your school. The services are provided by an APRN (advanced practice registered nurse)/PA (Physician Assistant) and licensed behavioral health clinician who are experts in adolescent health and are employed by UCFS. The intention of the UCFS SBHC is to supplement the care your child receives at their pediatrician's office.

Services Provided

- Yearly well-child examinations
- Vaccinations
- Sports physicals
- Acute care visits (e.g. sick visits, lacerations, injuries, etc.)
- Chronic care visits (e.g. asthma, ADHD, etc.)
- Mental Health Assessments
- Substance Abuse Screenings
- Counseling (individual, group, and family)

Top 5 Reasons to use the School-Based Health Center

- Convenient same day appointment.
- Removes barriers to care such as lack of transportation.
- Decreases time away from the classroom which improves academic success.
- Improves student's achievement by taking care of behavioral health needs that can make learning difficult.
- Connects students and their families with insurance coverage.

5

Referrals are easy...

- Behavioral Health Referrals can come from students, teachers, counselors, administrators as well as parents/guardians of students.
- Medical visits can be coordinated through the school nurse or directly with our family engagement/medical assistant.
- Working collaboratively with school personnel, families, and local youth services has helped to maximize student support.
