Join us for our annual 'Stuff the Bus' event! As we approach the holiday season, let's come together as a community to make a difference and spread the spirit of gratitude. Help us fill a school bus with essential Thanksgiving and Holiday meal items to ensure that families in need can enjoy a warm and hearty meal during this special time of year.

Your donations will bring comfort and nourishment to those less fortunate in our community. Let's unite in the true spirit of Thanksgiving by stuffing that bus with love, compassion, and the means to create lasting memories.

We're asking for the following items from our  
Waterford Students and families

- 12th Grade - Penne & Pasta Sauce
- 11th Grade - Boxed Mashed Potatoes and Gravy
- 10th Grade - Stuffing + Applesauce
- 9th Grade - Soup + Mac & Cheese
- 6th—8th Grades - Cereal + Oatmeal
- PK-5th Grades - Cookies, Dessert Boxes, Brownie Mix, etc

Chase the Turkey and his friends will be starting their adventure at 8:30am at WHS, then on to CLMS, OH, OSW and ending at GN!

## INTRODUCING TO FAMILIES OF 4TH - 12TH GRADERS...

The Waterford Public School district is excited to announce its partnership with Securly in safeguarding our students, your children. Securly Home was chosen because we shared a vision of a safer, more productive digital world for our students.

Now parents of students in grades 4-12 can get the same peace of mind when school devices come home. See your child's online activity during after-school hours, pause your child's device, and turn off online access.

Through this partnership, the students of Waterford will be protected everywhere, on any school-issued device. You should have received a welcome email that provided you with instructions on how to download the app and connect with your child's online activity, so please be sure to locate it if you missed it!

Further information about Securly Home can be found on our WPS district website (Technology > One-to-One Device Program Information). There are resources there to help you become more familiar with Securly Home and how to use it.

Every year, 18,000 patients are diagnosed with life-threatening blood cancers or other blood disorders that could be cured or treated with a blood stem cell transplant. But 70% of them don't have a fully matched donor in their family. They depend on Be The Match® to find an unrelated donor. *Adapted from [//my.BeTheMatch.org/strongestboy](http://my.BeTheMatch.org/strongestboy)*

The Waterford community, including families within our district (see below), have been impacted by these cancers and are looking to raise awareness regarding the Be The Match® program and the need for donors for bone marrow transplants.

Please visit [//my.BeTheMatch.org/StrongestBoy](http://my.BeTheMatch.org/StrongestBoy) for more information on this life saving program and for the process to become a donor.

# UCFS Healthcare's School-Based Health Centers and Your School!

The UCFS school-based health centers (SBHC) are a doctor's office inside of your school. The services are provided by an APRN (advanced practice registered nurse)/PA (Physician Assistant) and licensed behavioral health clinician who are experts in adolescent health and are employed by UCFS. The intention of the UCFS SBHC is to supplement the care your child receives at their pediatrician's office.

## Services Provided

- Yearly well-child examinations
- Vaccinations
- Sports physicals
- Acute care visits (e.g. sick visits, lacerations, injuries, etc.)
- Chronic care visits (e.g. asthma, ADHD, etc.)
- Mental Health Assessments
- Substance Abuse Screenings
- Counseling (individual, group, and family)

## Top 5 Reasons to use the School-Based Health Center

- Convenient same day appointment.
- Removes barriers to care such as lack of transportation.
- Decreases time away from the classroom which improves academic success.
- Improves student's achievement by taking care of behavioral health needs that can make learning difficult.
- Connects students and their families with insurance coverage.

5

## Referrals are easy...

- Behavioral Health Referrals can come from students, teachers, counselors, administrators as well as parents/guardians of students.
- Medical visits can be coordinated through the school nurse or directly with our family engagement/medical assistant.
- Working collaboratively with school personnel, families, and local youth services has helped to maximize student support.

## To learn More...
